**NARRATIVE:**

Abril (Silvia) Rodriguez has an extensive adult criminal history that began at the age of 19. Her convictions include multiple cases for firearm access violations, multiple cases for vehicle theft, several cases for receiving stolen property, false identification to peace officer, possession of narcotic controlled substances and weapons violations. She has served multiple state prison terms, the longest being a 2 year term for a firearm access violation. Rodriguez was released from state prison to the supervision of the Los Angeles County Probation Department on May 07, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in February 2016 after she absconded from post release community supervision (PRCS). Rodriguez qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for a firearm access violation is defined as non-serious and non-violent under the California penal code. Her criminal history, gang member status and current failure to comply with the terms of release make her a most wanted. If you know her whereabouts please contact...
